

Product Change Notice (PCN)

Date: 12/10/2021

PCN Number: PCN-65631480R-01

To Our Customers:

We appreciate your use of CUI products. Our commitment in maintaining and improving processes is demonstrated by plans to enhance our product quality, reliability and manufacturability. The purpose of this notice is to inform you of a product change.

Product(s) Affected:

PSK-15D Series	PSK-10D Series
• PSK-15D-5	• PSK-10D-5-M
• PSK-15D-5-T	• PSK-10D-12-M
• PSK-15D-5-DIN	
• PSK-15D-12	
• PSK-15D-12-T	
• PSK-15D-12-DIN	

Reason(s) for Change: Ongoing global supply chain shortages have increased the risk of not being able to procure the necessary raw materials to complete builds on time.

Description of Change: In an effort to mitigate the risk associated with the ongoing global supply chain shortages, the startup circuits within the products listed above have been modified to accommodate a broader set of raw materials thereby improving the stability of the supply chain. The impact of this change to product performance is minimal and outlined below:

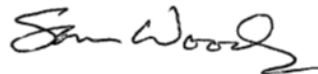

- No-load power consumption will increase slightly to 0.3 W
- Startup delay time will increase slightly to 2 seconds

Affected Date Code: All product marked with date code 2148 (year: 2021, work-week: 48) or later will have the changes listed above incorporate into the design.

Product Availability: Currently available

PCN Approval:
